## *Rowland Way, the Industrial Metal Finisher in Havant, Hampshire*

Graham and Carole have built up a wide ranging knowledge of all types of paint systems from basic enamelling and powder coating through to the highest specification of paint systems for military and avionic applications. With a long standing and experienced staff of skilled paint sprayers and powder coaters backed by a team of trained pre/post finish operatives, RWL are able to offer new and current customers the most comprehensive service that today's industry invariably requires.

RWL is an ISO 9002:2008 registered company with a vast experience in all aspects of the paint finishing industry from commercial finishing in wet and powder coating through to MOD and Aerospace paint systems of the highest technical specification.

We pride ourselves in being able to offer a long established reputation and experience in providing paint finishing solutions to our customers for application to any type of substrate including ferrous and non-ferrous, plastics, wood and many many more.

Graham Short - Managing Director

Graham has been a part of RWL for 36 years and has owned the company since 2000

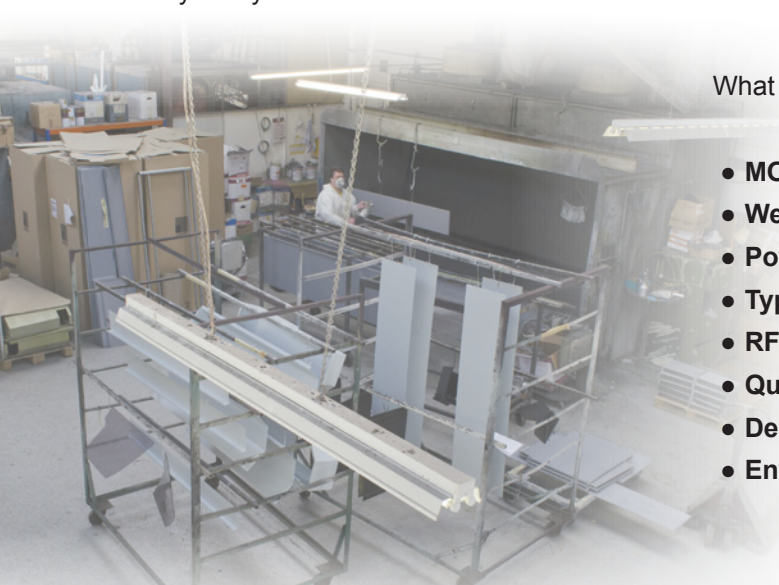

Carole Ashton – Company Secretary

Carole has played an integral role within the company for 30 years and is responsible for the day to day management of production.
